Launch V1

Preparation  
for Launch  
V1

# ICANN Open Data Platform

**Launch V1 Objective:** Engage and encourage community to access the platform and available data. Provide feedback to ICANN org to continually improve this platform and the datasets.

# What's Next

The Platform URL is  
opendata.icann.org

The Platform is open  
to public

ICANN org published  
an [announcement](#) and  
a [blog](#) about the  
launch of Open Data  
Platform

Register your account to  
access the available  
datasets

Let us know your  
feedback via  
“Contact Us” on the  
Platform

ICANN org will continue  
improving the Platform  
and datasets based on  
your feedback and  
assessing new datasets  
for publication.
