- CROP Strategic Plan https://tinyurl.com/vdyrem2
- Three CROP travellers submitted and approved
- Call for selection selection committee for CROP trips, refined process
- Update on ALS and Unaffilated membership
- Educational Engagement

CROP 1: Digital Inclusion Conference: Portland, Oregon

Two and half days of workshops, sessions and site tours to better understand the strategies used to discuss:

- local, state and federal policies and policy innovations impacting digital equity,
- sources of financial and programmatic support of digital inclusion programs,
- and digital inclusion best practices from across the country.

Preambule to ICANN72 scheduled for Seattle, Washington.

Prof. Alfredo Calderon-Serrano, ISOC PR

CROP 2: ARIN 45 Louisville Kentucky

ARIN holds open, biannual Public Policy and Members Meetings where attendees gather to discuss draft Internet number resource policies and network with colleagues.
View current draft policies and proposals that may be discussed at this meeting.

CROP 3 IGF Canada- Montreal, Quebec

March 30, Montreal Canada
IGF Canada

The Canadian Internet Governance Forum
is once a year event and it brings together
various stakeholders for a national
discussion on key issues affecting access
to, and the safety, privacy and security of,
the Canadian internet.
