

RSSAC Admin Teleconference

Wednesday, 25 March 2020

Action Items

1. Review of Action Items from 18 March Meeting
 - AI: AM to send an interim response to the person who came up with the question of “Why only 13 root servers” and say that we are investigating.
 - AI: OS to schedule liaison reviews with FB.
2. RSSAC Member to the RSSAC Caucus Membership Committee
 - AI: OS to send a reminder on the call for volunteers.
3. [7 April RSSAC Monthly Meeting Draft Agenda](#)
 - AI: OS to send a note to DW on RSO Identification document and copy AM.
 - AI: OS to send the SOI of recommended Caucus applicant to FB.
4. AOB
 - a. Action Request Register
 - b. Request to Translate RSSAC037 and RSSAC038
 - AI: OS to get back to ICANN org Comms Team and ask (1) to make it clear that the official version of the document is the English version and (2) to share the Chinese version with RSSAC Admin Team so that SS can review it before making the translation public.
 - AI: In the next round of RSSAC000 update, RSSAC to consider clarifying that RSSAC’s working language is English. AM to add this note to his list of things to update.
 - c. Summary of Action Items
