RSSAC Admin Teleconference
Wednesday, 15 April 2020

Action Items

1. Review of Action Items from 8 April Meeting
   AI: AM to draft a response to "Why 13 root servers?" question building on Paul Vixie's comments and share the draft on the RSSAC Admin mailing list.
   AI: OS to reach out to SS and DW to learn about the status of RSO Identification document and its readiness for a vote.
2. 5 May RSSAC Teleconference Draft Agenda
   AI: FB to circulate a note on the RSSAC list to see if there is any interest to have joint meetings with the ICANN Board and SSAC or any other group.
3. AOB
   a. OCTO's RSS Explainer Document
   b. Summary of Action Items
