Contractual Compliance Audit Results

- **EDDP Part I *Deletion and Renewal Policy***
 - Less than 3% of registrars found to be non-compliant
 - Breach notices will be sent to those registrars
- **EDDP Part II *Fees for recovering domains in Redemption Grace Period***
 - About half of registrars found non-compliant
 - Reason: failure to specify what the exact fees are
 - Will send notices to registrars requesting that they include fee information
 - Will work with legal to develop an advisory to clarify consensus policy
