The SSR2 Review Team undertook the following during this session:

1. **Welcome, roll call, SOI updates**
See attendance record above. No SOI updates provided.

2. **Status update on outstanding questions to ICANN org**
Jennifer noted that some questions have been answered on-list as of yesterday, and that the responses from the remaining questions are in progress. Regarding KC's DAAR question, Jennifer suggested that KC meet with ICANN org SMEs (she will follow up with KC via email on this).

3. **Discuss subteam timeline: 1 July is the deadline for subteams to reach phase 4 (see chart here for status)**
Russ reminded team members of the 1 July that was shared via email. No team members objected to the approach outlined in the email.

4. **Subteam report-outs:**
   - **Recommendation 27 subteam response to public comments (see here)** – Discussion deferred to next week.
   - **Privacy grouping** – Kerry-Ann presented proposed changes to the text in the document here and as noted in her June 5 email. No team members objected. Kerry-Ann will make changes to recommendation 6 per the suggestion in her email once the wider changes to recommendation 6 are agreed by the team.
   - **Risk grouping** – Laurin gave a high-level overview of the proposed revised text in the document here. Changes with markup are here. The team discussed including budgetary information to recommendation 6. Laurin asked team members to review the text and make comments. Actions to address the public

comments are here. This risk text will be discussed next week again once team members have had time to digest.

- **Abuse grouping –** Laurin provided a high-level overview of the abuse subteam progress, and shared the document here for the team's information. Text is not yet available for the team's review.
- **Others?**

Action item: Kerry-Ann to update recommendation 6 to include privacy text once other changes to recommendation 6 have been made.

Action item: Team members to review the proposed revised risk text in the document here. Changes with markup are here. Actions to address the public comments are here.
