

I hereby submit my Expression of Interest (EOI) to serve as an ALAC representative for EURALO on the ALAC Subcommittee on Finance and Budget (FBSC) 2018-2019.

I understand that the tasks of the FBSC include, but are not limited to:

- Coordination of annual additional budget requests from the ALAC and RALOs, to go into the yearly ICANN budget
- Drafting any statement related to the ICANN budget process, the ICANN strategic process and/or regarding the ICANN operating plan
- Issues involving the Constituency Travel budget

After attending a couple of Budget Working Group sessions, the broader topic of the ICANN planning- and budgeting processes caught my interest, and I want to offer my services to the team. I am an economist, and have experience in volunteer board settings as a treasurer. I trust the topics discussed within the FBSC should therefore be relatively easy for me to digest and respond to.
