

Dear Maureen and Heidi,

I am submitting my expression of interest to serve as an ALAC representative for NARALO to the ALAC Finance and Budget Sub-Committee(FBSC) -- 2018-2019

I understand that the tasks of the FBSC include but are not limited to:

- Coordination of the annual additional Budget Requests from the ALAC and the RALOs that will be filed to go into the yearly ICANN budget
- Drafting of any Statement regarding the ICANN Budget Process, ICANN Strategic Process and ICANN's Operating Plan
- Issues involving Constituency Travel Budgets

I have 5 years of experience on granting committees and 3 years of experience as a member of the board of directors for the Canadian Internet Registration Authority (CIRA) which provides fiduciary oversight to that organization. I believe I have the experience to perform the duties outlined about and will commit the time necessary to do so.

Sincerely
Marita Moll
