

Through this email, I express my expression of interest for the membership of ALAC Finance and Budget Sub-Committee. Being an ALAC member, I would like to be involved in financial and budget planning and management for ALAC, as I think I have the relevant experience in this. I have been associated with At-Large for the past six years, and understand the rules and procedures, which would help me in contributing to this committee.

Please register my interest.

Thank you.

Regards,
Naveed -
