Action items from previous meeting

- **Action item #1:**

ccTLD News Sessions: Secretariat to check the proposed timetable, have the prep 1 week earlier.

- **Action item #2:**

Should we focused on particular topics, when sending out the call for presentations for the ccTLD News Session? MPC members to send suggestions to the MPC mailing list ahead of the next MPC meeting on 23 July.

- **Action item #3:**

Regional Organisations to verify with their membership, how to inform the members from their regions regarding participation to virtual sessions by the ccNSO, ahead of the next MPC meeting on 23 July

ICANN68

Results satisfaction survey: <https://www.surveymonkey.com/results/SM-MWRWGF7/>

Draft “feedback-on-feedback” (add link)

Action item: MPC to review the draft F-o– and to suggest edits ahead of the next MPC meeting

Was it useful to have a wrap-up MPC meeting, immediately after ICANN68?

Level of attendance

Observations:

- Approx 140 participants per ccNSO members meeting session
- Overlap between the ccTLDs attending the virtual ICANN68 and those that typically attend face-to-face meetings

Suggestions on how to reach out to “silent” ccTLD managers:

- Feedback from Regional Organisations
- Outreach via ICANN Global Stakeholder Engagement (GSE)
- Any additional suggestions?

ICANN69: proposed topic/session criteria

1. Which sessions need to be part of ICANN69?
2. Which sessions could be held prior/post ICANN69?
3. Additional criteria
 - 1 or 2 major topics per day
 - Additionally 1 ccNSO committee, Council or Working Group meeting
 - Max. 3 meetings per day under ccNSO auspices
 - Topic needs to be relevant for at least 2 regions

ICANN69: sessions

Virtual ccTLD News #2: Thu, 1 October (19 UTC)	Q&A with candidates ccNSO Council (+ webinar end Aug./start Sept.)
ccTLD Community Webinar #1: Time/Date TBC	ccNSO Council
ccTLD Community Webinar #2: Time/Date TBC	

Topic suggestions

1. Q&A with ccTLD related Board members
2. ccNSO governance session
 - Rules of the ccNSO
 - ccNSO Organisational Review
 - Board Removal Process
3. COVID-19 impact (marketing, business)
 - Trends registration numbers. Incl participation from gTLD registries and registrars. Cross-regional
4. The Identifier Technology Health Indicator (ITHI) initiative
5. Legislative initiatives
 - EU Digital Service Act (DSA), replacing the e-commerce directive. What is happening in other regions? Similar initiatives?
 - Increased role of governments in regulating the DNS
6. Suggestions by Abdullah:
 - new IP proposed by Huawei
 - DNS over HTTPS and DNS over TLS
 - future prospects for domain names. Has the number of new registrations flattened in recent years?
