

# At-Large Talking Points

A Social Media Guide

# DNS Abuse

- **Talking Points**

- Current levels of DNS Abuse are unacceptable and rising.

- Compliance needs new tools to combat systemic DNS Abuse.

- No new round of applications until DNS Abuse is addressed.

- **Relevant Sessions at ICANN68**

- DNS Abuse and Malicious Registrations During COVID-19

# Registry Voluntary Commitments (previously PICs)

- **Talking Points**

  - Must have a way to hold registries to their commitments

  - History of PICs is difficulty with enforcement

  - Contract Compliance must identify RVCs which will be difficult to enforce

  - At-Large Requires Means/Money to bring a DRP on behalf of End Users

- **Relevant Sessions at ICANN68**

  - PICS and PICDRP: What's the Right Path Forward?

  - GAC Subsequent Rounds Discussions (Note: 3 Sessions)
