ICANN 69

17–22 October 2020

VIRTUAL ANNUAL GENERAL

Block Schedule Overview

- Combination of 60-min & 90-min session blocks and the option to combine two 60-min blocks for a 2-hour session.
- 30-min breaks between all sessions.
- Flexibility to schedule sessions in either week, including joint meetings with the ICANN Board, Tech Day, etc.
- Full technical support, interpretation and live-scribing will be offered during official meeting hours shown in the block schedule.
- Regular SO/AC meetings taking place outside of the official hours may be listed on the public schedule, but will not be supported by Meetings Technical Services.
