**IRP-IOT Call – 23 Sept 2020**

00:30:59 Sam Eisner: With apologies, I have to leave after the 1 hour mark

00:31:57 Sam Eisner: Liz will be here, of course!

00:34:10 Kristina Rosette: apologies - have to attend to a delivery. Back momentarily.

00:34:43 Robin Gross: Mine was updated.

00:35:39 Brenda Brewer: IRP-IOP SOI Wiki page: <https://community.icann.org/x/XgeJBw>

00:36:24 Flip Petillion: hello I am in my car driving fir the next two hours. I can only listen in

00:39:14 Kristina Rosette: I'm back.

00:39:46 Scott Austin: Sorry for late arrival had to finish a filing and connection was very slow.

00:41:25 Kristina Rosette: Agree with David. I think it should be "should" under the standard must/should/may usage in ICANNland.

00:42:45 David McAuley (Verisign): I doubt we can address that, Malcolm

00:44:35 Mike Silber: agree with "should"

00:45:27 Robin Gross: "should" makes sense

00:45:27 Scott Austin: is urged

00:46:48 Scott Austin: Shouldn't at any point during the course of proceedings be moved up?

00:48:28 Liz Le: Here is the revised language as discussed: 11. If Claimant, at any point during the course of the proceedings, identifies that it no longer requires translation services ordered by the IRP Panel, the Claimant should request the discontinuation of translation services.

00:48:38 David McAuley (Verisign): Thanks to Liz and Susan and all who helped with drafting of this rule so far

00:48:54 David McAuley (Verisign): +1 @Liz

00:51:59 Scott Austin: +1 Liz

00:59:54 Bernard Turcotte: Time check 60 minutes left

01:08:15 Liz Le: "Merge" was the term used by the IRP Panel in that matter in describing the consolidation. There is no separate procedure for merger.

01:10:01 David McAuley (Verisign): wouldn't the order be determined by the panel? or PO?

01:20:32 Sam Eisner: @David, I don't recall that we had discussions at this level of specificity during the first go-round on these at the IOT. Do you?

01:21:00 David McAuley (Verisign): No, I agree with you, Sam

01:26:03 David McAuley (Verisign): justice, efficiency and purposes of IRP?

01:26:26 Mike Silber: I like that formulation David

01:27:47 Sam Eisner: Talk to everyone soon. I have to sign off now

01:28:30 David McAuley (Verisign): good point Greg

01:28:50 Scott Austin: reviewing this was helpful <https://features.icann.org/consideration-eco-and-hotel-irp-declaration>

01:29:14 David McAuley (Verisign): and applicable precedent?

01:29:41 Bernard Turcotte: Time Check - 30 minutes left in call

01:30:25 Mike Silber: I think we are starting to develop a laundry list David, rather than a focussed list as you started with

01:30:57 David McAuley (Verisign): Fair point, Mike

01:41:57 Kristina Rosette: happy to work on the panelist section

01:42:18 David McAuley (Verisign): Susan, maybe ou could make the call on list?

01:43:18 Liz Le: ICANN org is happy to volunteer as well

01:53:45 Robin Gross: I support Malcolm's comments.

02:03:37 David McAuley (Verisign): good advice, Susan, deep breath and fresh look

02:04:34 Bernard Turcotte: bye all

02:04:35 David McAuley (Verisign): Thank you, Susan, staff and all

02:04:41 Kristina Rosette: thanks, all!
