IRP-IOT Consolidation WP Call – 8 December 2020

11:02:07 From Liz Le : Hello everyone. Sam is an apology for this meeting.

11:04:10 From Brenda Brewer : Thank you Liz.

11:10:17 From Kristina Rosette : Makes perfect sense. Thanks.

11:10:32 From Kristina Rosette : (Son in breakout room for school so may not be able to "talk" much.)

11:10:49 From Scott Austin : What is difference between ICDR and IRP Provider?

11:15:20 From Kristina Rosette : Can we put a pin in this and move on?

11:15:50 From Kristina Rosette : I think we'll have a fair bit of "clean up" once we're done and this will be part of that.

11:23:08 From Scott Austin : Isn't the Emergency panelists scope of work limited to the emergency

11:23:08 From Kristina Rosette : Agree, Susan.

11:23:18 From Scott Austin : Agree

11:29:39 From Kristina Rosette : If we allow any kind of "appeal", I think the standard would need to be rather high - clearly erroneous - barring any kind of fraudulent conduct or conflict of interest.

11:30:11 From Bernard Turcotte : Time check - 60 minutes left in call

11:30:29 From Liz Le : +1 Kristina

11:31:39 From Kristina Rosette : Another potential option, which eliminates the need for appeal, but could be rather messy, is to require the full Panel for that proceeding - once in place - to ratify the Emergency Panelist's actions and that ratification would be pro forma except for the type of exceptions noted above.

11:31:40 From Scott Austin : agree

11:32:34 From Kristina Rosette : I haven't played it out fully enough to determine if the advantage outweighs the messiness.

11:33:07 From Scott Austin : Do the ICDR Rules speak to that;

11:35:26 From Scott Austin : If the full panel ratifies would it make it more difficult for them to reverse themselves should fraud or conflict of interest later come to light; does a heightened standard apply to ratification.

11:36:53 From Kristina Rosette : I'll take an action item for our next meeting to play out that scenario and report back.

12:00:22 From Bernard Turcotte : Time check - 30 minutes left in call

12:23:34 From Liz Le : Good idea Kristina

12:24:21 From Scott Austin : 21/28 calendar days works for me

12:25:38 From Kristina Rosette : Fine with me. Not as if I'm traveling. ;-)

12:26:01 From Bernard Turcotte : After 20 Dec attendance is usually poor - but since there is no travel this may be different this year

12:26:23 From Brenda Brewer : i can probably get Yvette

12:26:46 From Bernard Turcotte : Brenda will not b e there but she can be replaced

12:26:56 From Scott Austin : I'm fine after the 20th

12:27:19 From Bernard Turcotte : 22nd 1900UTC

12:27:44 From Kristina Rosette : Thanks, all! Talk to you next week!
