11:10:56 From Susan Payne IPC to Everyone : Hi Thomas, I believe you are an observer to this group - welcome

11:12:35 From Thomas Rickert to Everyone : hi Susan, I have actually dialed into the wrong room. Have a great meeting!

11:17:27 From Helen Lee to Everyone : Just to clarify, and I may be misunderstanding Sam's comment, I wasn't noting that ICANN possessed any kind of bias in the process. However, I meant to note that the term "amicus" has a type of inherent bias and wanted to flag that that could be a concern.

11:18:20 From Flip Petillion to Brenda Brewer(Direct Message) : I logged in twice, Brenda, iPad and MacBook

11:18:50 From Brenda Brewer to Flip Petillion(Direct Message) : Thank you!

11:24:13 From Chris Disspain to Everyone : Fine with me Susan. Not seeking to close down discussion. Merely putting my position.

11:32:52 From Arasteh to Everyone : For any timinig there MUST be an clear cut starting point

11:34:12 From Arasteh to Everyone : When exactly the clock starts

11:44:30 From Scott Austin to Everyone : provide a link in the rule.

11:45:15 From Flip Petillion to Everyone : Hi Susan, we are half way - Happy to step in when appropriate. Flip

11:48:42 From Scott Austin to Everyone : I like the boldness with which this is proposed but two follow on questions, must the request for extension be filed within the original 12 months? Does the up to 12 month extension run from the end of the original 12 month claim filing period or does it run from the extension request date.

11:49:48 From Arasteh to Everyone : If we accept the concept the language could be worked out

11:50:01 From Chris Disspain to Everyone : I confess to being confused...Are we discussing time to file or repose?

12:07:06 From Bernard Turcotte to Everyone : Time check - 25 minutes left in call

12:07:56 From Chris Disspain to Everyone : That is what I understood Flip to be proposing

12:08:20 From Malcolm Hutty to Everyone : Was it that way around, or the other way around?

12:10:15 From David McAuley (Verisign) to Everyone : The declaration inter partes is capable of broader impact, though, I would think.

12:10:28 From David McAuley (Verisign) to Everyone : Food for thought

12:10:32 From Chris Disspain to Everyone : scenario 3 would be the Edutania claim re the arrival of the grant programme in Ruritania where they claim it should not be there

12:10:54 From Chris Disspain to Everyone : scenario 1 would be a time limited test of whether the policy is ultra vires

12:11:08 From Chris Disspain to Everyone : I think that's what Flip is saying

12:14:10 From Chris Disspain to Everyone : I agree that the by-laws would need to change to bring Flip's vision into being but I think it's worth considering as a proposal to the community

12:18:42 From Chris Disspain to Everyone : I for one would be delighted Flip

12:19:11 From David McAuley (Verisign) to Everyone : I think it would be worthwhile. I am initially hesitant but would be interested in further detail.

12:19:36 From David McAuley (Verisign) to Everyone : and thank you Flip, and Kurt for compromise suggestions

12:29:00 From Chris Disspain to Everyone : Is there any chance that Kavouss could send a brief note setting out what he is proposing so we can consider it without any misunderstandings??

12:29:05 From Sam Eisner to Everyone : @Kavouss, we'd be happy to review, but I think we need more specificity from Flip first

12:29:16 From Chris Disspain to Everyone : That really would be most helpful

12:30:33 From Bernard Turcotte to Everyone : will do

12:31:02 From Flip Petillion to Everyone : I will prepare; hope you are happy with early Feb or mid Feb.

12:31:20 From David McAuley (Verisign) to Everyone : Thanks Bernie

12:31:27 From David McAuley (Verisign) to Everyone : sounds good, Flip

12:31:29 From Chris Disspain to Everyone : on the bylaw issue...I do think that it might be possible to find a way to bring the essence of Flip's proposal into being without amending the bylaws but it would not be as 'full' as he laid out

12:31:39 From Scott Austin to Everyone : looking forward to Flip's work.

12:33:24 From Bernard Turcotte to Everyone : bye all

12:33:24 From David McAuley (Verisign) to Everyone : Thanks Susan and all, good bye

12:33:30 From Flip Petillion to Everyone : Thanks all !
