Topic: translation of ccNSO course on ICANN Learn in ICANN langauges

Date: 23 April 2021

Dear all,
I have been advised to write to you to seek translation of the written ccNSO course on the ICANN Learn portal into all ICANN languages *(Course name - Onboarding: Country Code Names Supporting Organization (ccNSO))*.

One of the recommendation by Independent Reviewer directed at the ccNSO Council is that the ccNSO Council should request ICANN to translate the aforementioned course in all ICANN languages (Recommendation #8, https://www.icann.org/en/system/files/files/ccnso-review-assessment-recs-final-29aug19-en.pdf) .

If you suggest I write someone else to seek the translation, please let me know.

Thank you on behalf of the ccNSO Council, best regards,
Alejandra Reynoso
