Important details about your replacement account

Dear Jonathan V Zuck:

We closed your United MileagePlus® business credit card account ending in 3586 to prevent unauthorized transactions, as recently discussed. Please review the following important information about what happens next.

What you need to do now

- Continue to make at least the minimum payment for the valid balance on the account.
- Please review your next billing statement carefully. If you find unauthorized charges on your statement, call us immediately at the number on the back of your card to report them.
- If you have other users on your account, their account numbers are not affected.
- Destroy all credit cards or account access checks for this account number only. If you recently used an access check or processed a balance transfer, and haven't already discussed it with us, please call us so we can make sure these transactions are

**WARNING!**

Windows has been infected
