22 March 2021

Questions

- > **Should ICANN's mandate be adapted in terms of future developments in cyberspace**
e.g. influence of digital platforms?
- > **How might the DNS be changed to tackle future cybersecurity concerns**
e.g. cybercrimes and digital abuses?
- > **How can transparency and openness of PDP's within ICANN be ensured and all**
interested stakeholders be pick up inclusively?
