AMGlobal Consulting, work on Internet Policy, work with new markets / work between global north and global south

2. **Education:**

BA Magna Cum Laude, Amherst College
MA Johns Hopkins School of Advanced International Studies
Various professional certificates

3. **Please identify any GNSO Working Groups and/or chartered teams in which you are participating:**

None at this moment, though over the course of my ICANN career a number both as participant and on one occasion as a consultant.

4. **Please describe any past involvement in the ICANN Fellowship Program, if applicable. For example, have you previously been a fellow or served as a program mentor?**

I was a mentor for this last cycle. Loved it and had great experience. Had a good of mentees and great feedback from them

5. **Please assess and explain how your knowledge, experience and expertise address the criteria listed below. Leave the response blank if not applicable to you.**
   - **Active participant in GNSO structures and policy development processes with a track record of engagement**
   - **Previous experience serving as a mentor, teacher, or learning facilitator is a plus**
   - **Strong written and verbal communication skills**
   - **Project management and coordination skills**
   - **Networking skills**

   I'm a long time BC officer, having served as BC Chair, head of Outreach, Credentials and other activities. I am a professional facilitator, run my own companies, and am I think it is fair to say, one of ICANN's best networkers.

6. **Please assess and explain how your knowledge, experience & personality meet the desired attributes listed below. Leave the response blank if not applicable to you.**
   - **Member of a GNSO Stakeholder Group and/or Constituency**
