

Dear APRALO members

Thank you Holly for the nomination for the second APRALO representative on the ALAC which I gratefully accept.

I have updated [my SOI](#) and if elected, I would like to apply to the ALAC for a 4th year as the ALAC Chair to assist with the great work of APRALO and the other members within At-Large. I would also like to support the projects that will be undertaken by At-Large with regards to the FY22 Additional Budget Requests where an unprecedented 6 out of the 13 accepted requests (worth half of the ABR budget) were from At-Large (4 of which came from RALOs to support their General Assembly activities). If elected as the ALAC Chair, I would appreciate APRALO support to successfully complete these and other At-Large activities during 2022.

Best regards
Maureen
