EURALO Policy Session

-22

EURALO Policy Session

- 16 June 2021 - 12:30-14:0 UTC - 14:30-16:00 CEST
- New gTLDs: Protection of geographical names in Europe
- Objective
  - Respond to the Sub-Pro PDP on gTLDs to ensure that in the public interest European geo-names of all kinds, are not exposed to open speculative registrations allowed by ICANN
  - The session will endeavor to assess the risks of open, speculative delegations and the eventual costs to local communities and final users arising from the unregulated sale of 'premium' domains, or even the geo-TLDs themselves
