

Joint AFRALO-AfrICANN Meeting

Wednesday, 16 June 2021, 10:30-12:00 UTC

This is a meeting of AFRALO and members of the Africa community within ICANN (AfrICANN), among other things the session will feature the following:

- Discussion on the topic “DNS Abuse Mitigation Strategies”
- Interaction with ICANN leadership which includes the President and CEO, Members of the ICANN Board, ICANN GSE team, AFRINIC CEO and other invited dignitaries including the Chair of ALAC
- There will be a brief tribute to Makane Faye who is now late

Update of AFRALO Webinar Series will also be provided to the community, the session will touch on any other issues of importance for the African community. The session is open to all At-Large members of AFRALO, AfrICANN and any interested member of the public

Questions?

Thank you!
