# Return to in-person meetings

Information exchange with the Regional  
Organisations

# Return to in-person meetings

## Topics for discussion

1. Main lessons learned from the fully virtual experience?
2. What are the elements worth keeping from the virtual meetings?
3. When do you expect the first event with in-person attendance?
4. Which factor will determine to allow for in-person attendance?
5. How will hybrid meetings look like for your RO?
6. How will your RO ensure that remote participants are not 2<sup>nd</sup> class?
7. How will your meeting structure look like?
8. Other?

# ICANN72

---

Annual General  
Meeting (23<sup>rd</sup>)

23-28 October  
2021

Seattle
