## PROFILE

Vladimir Shadrinov is a domain industry professional with 12 years experience in domain name business, policy and ICANN-related matters.

## CAREER

**May 2009 - current**

**Telnic Ltd.  
London, UK**

**Director of Policy**

- Telnic is the registry and sponsoring organisation for .tel Top Level Domain.
- Vladimir served as Telnic's representative with ICANN on all policy-related matters. Attended a number of ICANN meetings on behalf of Telnic.
- As a primary voting member Vladimir represented Telnic in the GNSO gTLD Registries Stakeholder Group (RySG). Contributed to number of RySG statements.
- Vladimir served as a liaison between the .tel Independent Policy Advisory Group, Telnic Board of Directors, registrars and user community on policy-related matters. Authored a number of policy documents, letters and statements for Telnic. Presented for Telnic on policy-related matters in a number of professional and business events.

**2008 – May 2009**

**Telnic Ltd.  
London, UK**

**Registrar Policy Liaison**

- Vladimir was the primary channel for policy and technical education of registrars with regards to the launch of .tel TLD. Managed outsourced Technical Support services. Wrote a number of key pieces of technical and policy documentation for registrars. Held educational webinars for registrars.

**2003 – 2008**

**Fides Ltd.  
St. Petersburg, Russia**

**VP, Policy and Operations**

- Fides provides legal, administrative and technical solutions for the domain name industry, serving, among others, ICANN-accredited registrars in Russia, US and Europe.
- Vladimir mainly worked in two areas:
  - Policy, Legal and Compliance: domain name registrar accreditation, registrar compliance with ICANN policies; dispute management.
  - Technical: strategic development, management of technical staff.

**2002 - 2003**

**DomReg Ltd.  
St. Petersburg, Russia**

**Executive Director**

- DomReg is the first ICANN-accredited domain name registrar in Russia.
- Vladimir worked primarily on starting up the domain name registrar business from both the technical and administrative sides, in particular the ICANN registrar accreditation process.

**1999 - 2002**

**Feedback Technology Ltd.  
St. Petersburg, Russia**

**Chief Software Developer**

- Vladimir worked on the technical side of a domain reseller business
