### Greek Case Study Team

1. Your Name: *Asimina Giannopoulou*
2. Current employer and position: *Telecommunications Expert at the Directorate of Telecommunications, Hellenic Telecommunications & Post Commission (EETT)*
3. Type of work performed: *Issues related to the regulation of the electronic communications market in Greece, including the regulation of the [.gr] domain names*
4. Identify any financial ownership or senior management / leadership interest that are interested parties in IDN Variant related topics: *Hellenic Telecommunications & Post Commission (EETT)*
5. Identify any type of commercial or non-commercial interest in IDN Variant related topics. Are you representing other parties? Describe any arrangements / agreements between you any other group, constituency or person(s) regarding your nomination / selection as a work team member: *I am a Member of the "Internet Committee<sup>[1]</sup>" of the Hellenic Ministry of Infrastructure, Transport & Networks. Among my duties in the Greek NRA is my involvement in regulatory issues regarding assignment and management of [.gr] domain names.*
6. IDN Variant Case Study Team members are expected to demonstrate knowledge or expertise in aspects related to the IDN Variants. Please identify any knowledge, expertise or experience you have that would be relevant to the work of the IDN Variants:

*Due to my background in the Greek NRA (EETT is responsible for the assignment and management of [.gr] domain names) and my involvement in the writing of regulations regarding the assignment and management of [.gr] domain names, as well as my daily handling of issues concerning Registrants and Registrars, I believe I can contribute to the Greek case study team regarding the Greek IDN Variants.*

7. Describe any tangible or intangible benefit that you receive from participation in such process, for example, if you are an academic or NGO and you use your position to advance your ability to participate, this should be a part of the statement of interest, just as should employment by an organization that has an interest in IDN Variant Working Group outcomes:

*What I expect to benefit from my participation in the project is to acquire knowledge that I will then transfer through relevant regulations of EETT as well as to be able to facilitate the use of the Greek language over the Internet.*
