Staff: Andrew Mcconachie , Ozan Sahin, Steve Sheng

Agenda:
1. Welcome & Roll Call

2. Review Decision / Action Item from Last Meeting
   NOTE: All action items are completed.

3. Chair Election (Steve)
   a. Anupam Agrawal, Paul Hoffman, Duane Wessels
      NOTE: Anupam Agrawal is elected as the chair of the work party.
   b. Confirm shepherd for the working group

NOTE: Duane Wessels is confirmed as the shepherds for the working group.

4. Content Discussion
   a. RSSAC047 review (Duane)
      DECISIONS: The scope of RSSAC047 revision is limited to correcting technical errors in definitions of metrics as identified by the initial implementation, and an addition of a mandatory review period for the RSSAC047 document.
   b. List of issues to be discussed for RSSAC047v2 (Paul)
      ACTION: Paul to create a running document listing the issues he identified that needs to be addressed in the RSSAC047v2 update.
   c. Discrepancy in recoding the latency of TCP queries from RSSAC047 and RSSAC057 (Andrew)
      NOTE: The issue for latency of TCP queries (whether to include and measure TCP set up time) will be added to the running issues list document.
5. Work Party Meetings/Teleconferences
   a. Standing call time
      NOTE: The standing call time is Every Other Wednesday at 16:00-17:00 UTC
   b. A meeting as part of the ICANN72 Virtual Policy Forum schedule?
      NOTE: A work party meeting is scheduled to be on 28 October 1600 UTC.
6. AOB
   a. Our next call is 13 October 2021 16:00 UTC.
