	WP	Meeting #21 - Review Leadership's updated current state of accuracy and continue discussing Gap Analysis Proposal Review.	↓	Scoping Team	03/17/22	03/17/22	Complete	
	AI	Brian Gutterman (ICANN org liaison) to transmit questions 3 - 7 (https://docs.google.com/document/d/1arlKdQkbRkE1LuurmDdd-PZP184_AdFm/edit?pli=1) to internal ICANN org colleagues for further guidance.		Brian Gutterman	03/24/22		Not Started	
	AI	Support Staff to provide further information on where the RDS WHOIS-2 Review Team recommendations, (specifically R 4.2, R 5.1, LE.1, CC.1) listed in the Data Analysis Proposals (https://docs.google.com/document/d/1arlKdQkbRkE1LuurmDdd-PZP184_AdFm/edit?pli=1) stand.		Policy Support Staff	03/23/22		Not Started	
	AI	RDA Scoping Team members to suggest further edits based on the discussion from today's meeting, including, for example, updated language regarding Spec. 13, to the current accuracy description: https://docs.google.com/document/d/1e5rUm-AFFDgNOU3OcT7ABu4InGwPiUyb/edit by Wednesday, 23 March.		Scoping Team	03/23/22		Not Started	
	AI	Still open: In advance of the next meeting on Thursday, 24 March, RDA Scoping Team Members to review the Gap Analysis Proposal Review. (https://docs.google.com/document/d/1sScP8MwgDCg4yvFNAYwQVql7DQob60vX/edit) Note: this document was compiled by Support Staff in an effort to distill the proposals made by Scoping Team Members, including upsides and downsides noted by either the proposer or other team members in subsequent discussions. The document is not meant to restrict the group into choosing one proposal, but rather, the group should review all proposals and see which proposals provide a viable path to forward progress. Note: IPC Reps: please respond to the comments directed to you in Proposal H.		Scoping Team	03/23/22		Not Started
