	WP	Meeting #33 Final write-ups of Assignments #1 & #2	↓	Scoping Team	06/09/22	06/09/22	Complete	
	AI	Support Staff to produce updated version of the write-up, which will include (i) resolutions of remaining comments that were not flagged and/or agreed to during today's meeting; (ii) added text from section 2.1.2 (measurement of whether current goals are met). Note: the text from 2.1.2 still includes bracketed text for further feedback from GAC regarding what further work could be done while input from registrars and the EDPB is outstanding. (Please see next action item.)		Policy Support Staff	06/10/22		In Progress	
	AI	GAC colleagues (or other members in agreements) to provide further information on what work could be done in the interim b/w assignments 2 and 3 instead of pausing work while additional data is collected/EDPB response is outstanding.		Scoping Team	06/13/22		Not Started	
	AI	Laureen K. to populate newly-introduced proposal to register names with purposefully inaccurate information as an experiment into the proposal Google Doc: https://docs.google.com/document/d/1sScP8MwgDCg4yvFNAYwQVqI7DQob60vX/edit.		Scoping Team	06/13/22		Not Started
