Introduction to At-Large Staff

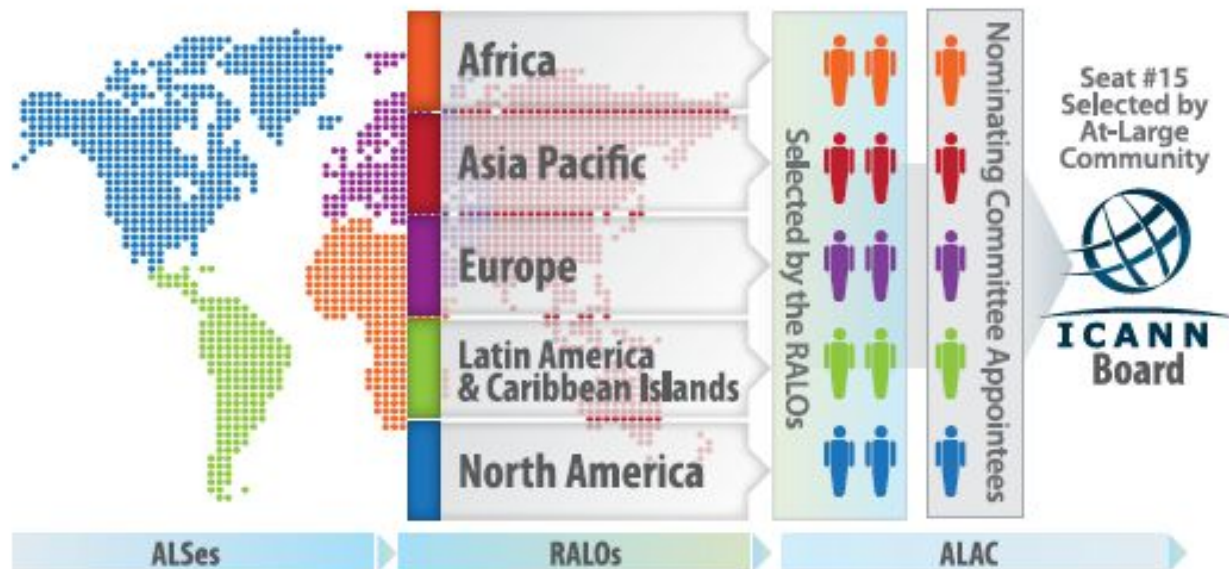

Introduction to ICANN At-Large

The ALAC vs At-Large Community

- The ALAC refers to the 15 members of the At-Large Advisory Committee (ALAC)
- The At-Large community refers to the ALAC plus the Regional At-Large Organizations consisting of At-Large Structures (ALSes) and unaffiliated members

A globally dispersed, bottom-up structure

The At-Large Work Structure: The Three Tracks

There are established goals and objectives for each of the three tracks of At-Large activity, **Policy**, **Outreach and Engagement**, and **Operations**, so that there is clear direction and opportunity for member participation, engagement and leadership.

At-Large Working Groups are also organized under these three tracks.

1. **Policy**
2. **Outreach and Engagement**
3. **Operations**
