Agenda

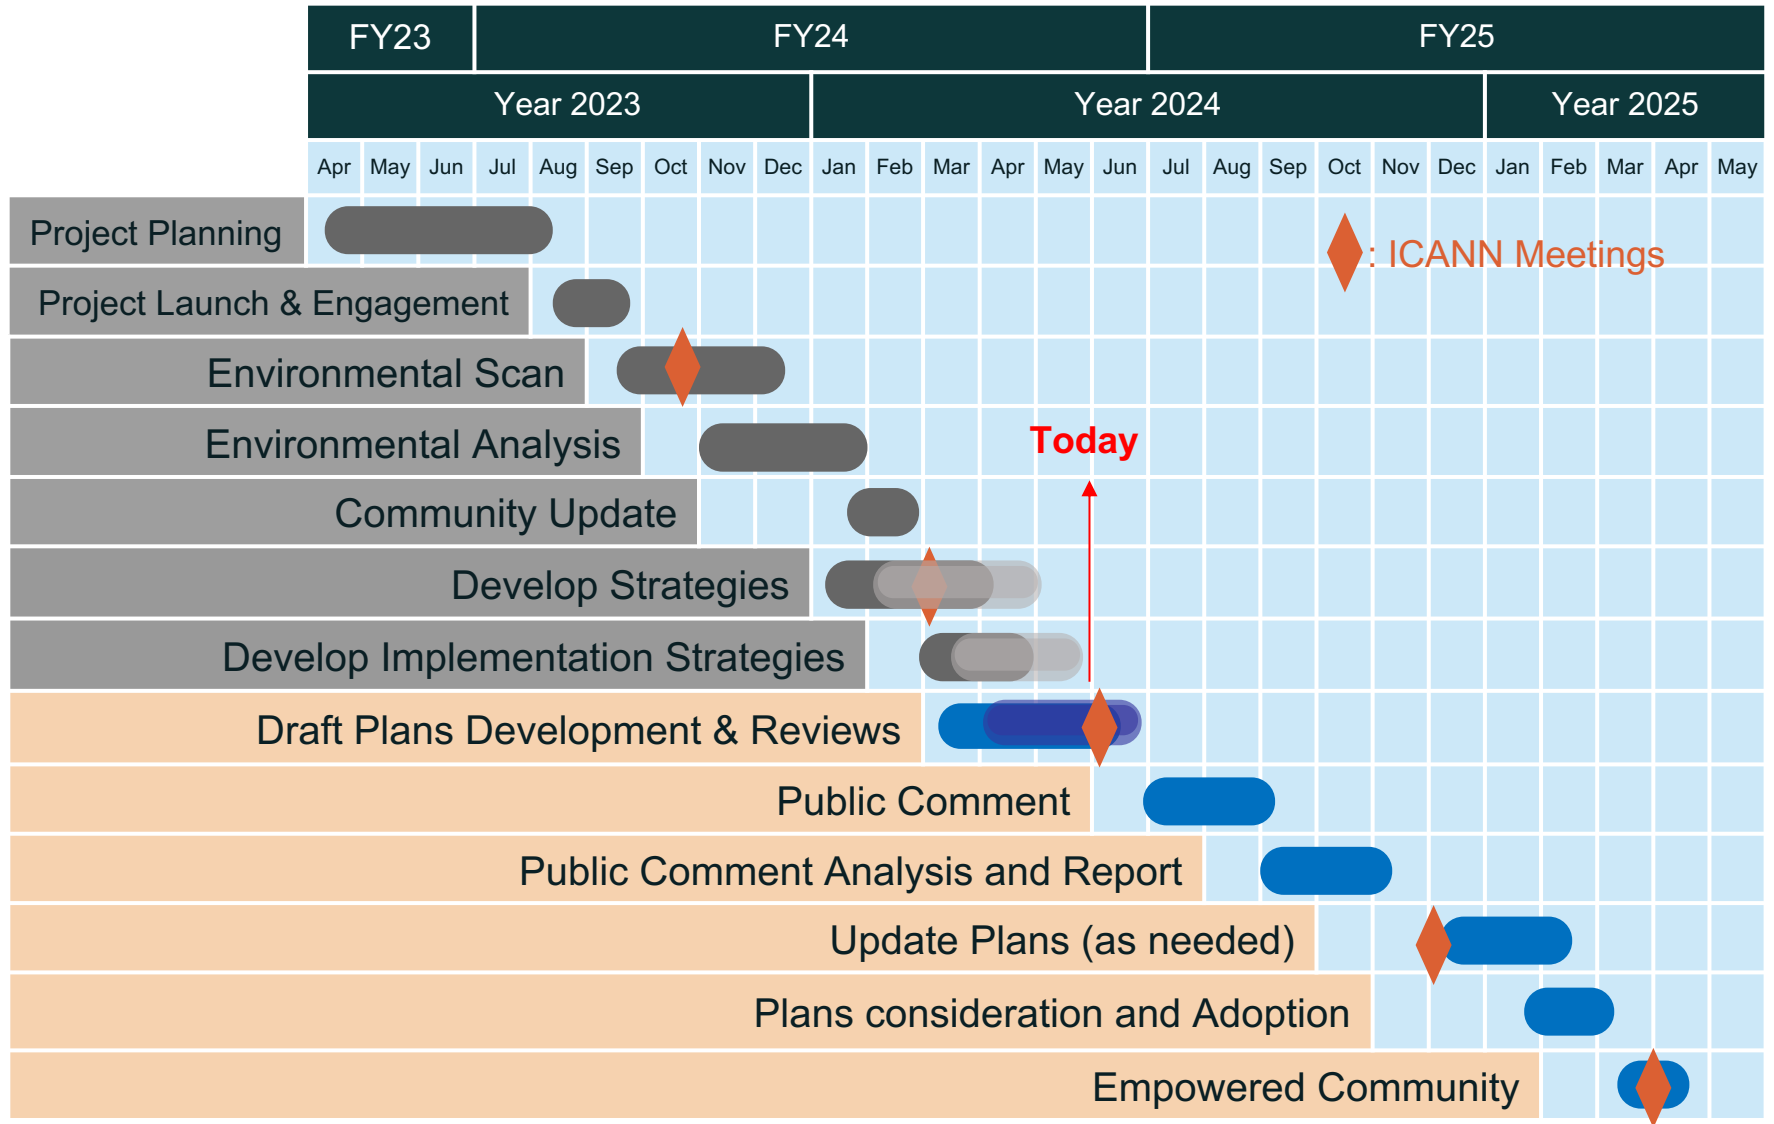

- Introduction and review project status and timeline
- Review the draft vision statement for 2030
- Discuss FY26-30 draft Strategic Objectives, Goals and Strategies
- Upcoming Community engagement opportunities

Introduction and Project status and timeline

Introduction

- The ICANN Bylaws require a five-year strategic plan for each five fiscal year period, and a five-year operating plan: both are refreshed annually
- The ICANN Board has been working diligently to develop the Draft ICANN Strategic Plan for Fiscal Years FY26–30
- This strategic planning process will result in the delivery of:
 - The ICANN FY26–30 Strategic Plan
 - The ICANN FY26–30 Operating Plan
- The current timeline aims to deliver the FY26–30 Strategic Plan for Board consideration of adoption no later than March 2025

Strategic Plan Development Timeline

Draft Vision Statement for 2030

As the trusted steward of the Internet's unique identifier systems, ICANN is dedicated to strengthening the single, globally interoperable Internet for all

FY26-30 Draft Strategic Objectives, Goals and Strategies

How the Board Developed the Draft Strategies

Between January to May, the BSPC held 13 committee working sessions and three Board Workshop sessions to develop draft strategies for ICANN for the next five years. Today, the BSPC, on behalf of the Board, will present these draft strategies and seek feedback from the Community

Environmental Scan

- The environmental scan provided insight on the strengths, weaknesses, opportunities, and threats that ICANN may encounter in the coming years

FY21-25 Strategic Plan

- Building on the foundation of the current Strategic Plan ensures continuity and alignment with ICANN's mission
- While the strategic objectives and goals are evolving, this provides consistency and clarity

Session Objective

- **Review the Draft Strategic Plan:** Strategic Objective, Goals, and Strategies, Measurements, Risks
- The community is encouraged to consider the following factors and provide feedback:
 - **Alignment** of the goals and strategies with the objectives
 - **Relevance** of the strategies for the next 1–5 years
 - **Strategic** vs. operational nature of the strategies
 - Any **risks** associated with implementing the strategies
 - **Measurement** of the draft strategies
- Anything we missed at this point?

Strategic Objectives

Strategic Objective 1

Sustain and promote **ICANN's Multistakeholder Model**, an inclusive Internet governance model

Strategic Objective 2

Enhance **organizational excellence**
