**10. Adoption Voting Report amendment ccNSO Internal Rules**

For decision

**Background.**

The changes of Article 10 and Annex B of the Bylaws have become effective. As a result the recently adopted Rules need to be updated. The GRC presented the proposed changes to the community at ICANN74. As next step the 2022 Internal Rules need to be adopted by both Council and Membership. The change mechanism is described in section 4.1 of the Rules.

*“First, and after consultation of the ccNSO Membership, at least 14 members of the ccNSO Council must vote in favor to adopt the proposed amendment of the Rules.  
Following the adoption by the ccNSO Council, the proposed amendments to the Rules must be circulated to all Members and the Members vote shall start no sooner than twenty-one (21) calendar days and no later than twenty-eight (28) calendar days after the date the proposed amendments have been circulated to the Members.”*

The ccNSO Council has requested the secretariat to call for a membership vote. This vote closed 18 October 2022, 23.59 UTC. To formally close the process, the Council will be requested to adopt the voting report.

**11. Review and update NomCom Job description & ccNSO skillset criteria**

The secretariat was approached to initiate the review process of the job-description and ccNSO requirements. If updates are required, they are expected to be provided by 15 December 2022, before the application period starts.
