

# EURALO Newsletter

Reporting period  
**July - September 2022**

**Dear EURALO and At-Large community Members,**

You are getting this EURALO newsletter (Thanks Natalia) just before ICANN75. This ICANN General Assembly is taking place in Kuala-Lumpur (Malaysia) from the 17<sup>th</sup> to the 22<sup>nd</sup> of September 2022.

Some of the leaders will end their terms and some (other) will start a new role in one of the ICANN leadership bodies.

In EURALO, **Pari Esfandiari** will end his 2 years as ALAC member from our region selected by the Nomcom.

I would like to congratulate Pari.

It was not easy as she starts this role discovering ICANN with only online meetings.

She done a great job as organizing some of the Monthly

RoundTable (by EURALO). It would have been great to have Pari return for a second term to take advantage of the real ICANN with face-to-face meetings. But Nomcom has decided otherwise.

And I would like to warmly welcome **Tommi Karttaavi** the new Europe rep selected by the Nomcom for the next 2 years. I hope (and I am sure) you will help us with EURALO activities.

Other changes in ALAC / RALOs

NA – Greg Shatan – from ALAC to Chair of NARALO

NA – Eduardo Diaz from NARALO Chair to ALAC (by NomCom)

NA – Bill Jouris

AP – Satish Babu

LAC – Marcelo Rodriguez

And last but not least Maureen Hilyard is ending his second term as ALAC Chair.

Thanks for all you have done.

Jonathan Zuck turn is yours. Good luck

I hope that we will be able to work together to enhance the voice of End-users within ICANN.

The implementation of both ALS and RALO individual members mobilization will help for that enhancement.

And it will force us to evolve the role of RALOs, to invent new ways of coordinating RALOs and strengthen outreach and engagement.

Dear EURALO and At-Large community Members,

In November 2022, from the 8<sup>th</sup> to the 10<sup>th</sup> EURALO Leaders with support of ICANN staff are organizing the EURALO Days.

Those days will include the General Assembly as such. Capacity building sessions.

Meetings with ICANN and friend organizations leaders.

And lot of time to allow discussions and networking.

We wait for you in Brussels for the EURALO Days.

I am writing to you from Singapore where I am participating to the APriGF (Asia-Pacific regional Internet Governance Forum) before travelling to Kuala-Lumpur for ICANN75. Hope to meet and talk to you either online or in person.

Hope to meet and talk to you either online or in person. The EURALO Days in Brussels are a good opportunity.
