IP Addresses management in Europe and the World (by RIPE NCC)

Chris Buckridge, Advisor to the RIPE NCC Managing Director, will speak about some of the challenges facing the global RIR system and the RIPE NCC specifically as we head into 2022. This includes incoming or proposed EU legislation (including NIS 2, the Digital Single Market Act, and the DNS4EU tender), global Internet governance developments, and challenges in relation to national laws, including sanctions regimes.
