WS2 – SO/AC Accountability – Recommendation 3.1

The CCWG-Accountability WS2 recommends the adoption of the Framework of Interpretation it developed for the ICANN Bylaws dealing with Human Rights.

Based on the design, implementation of recommendation 3.1 requires information sharing among Supporting Organizations and Advisory Committees regarding their Human Rights activities. In the forum established for exchanging cross-community recommendations, the WS2 Community Coordination group, shared their practices regarding this recommendation. This information was uploaded to [the community wiki](#). The WS2 CCG agreed to mark this recommendation complete in April 2024.
