

Closed Generics: Finding the Balance  
Submitted by Jonathan Zuck

**Brief Description**

This is an At-Large internal policy discussion on the topic of Closed Generics.

**Rationale/Desired Outcomes**

The ALAC will be, once again, to comment on the topic of Closed Generics, after bilateral discussions with between the GNSO and Board. This session is to allow us to establish a more nuanced position for these discussions.

**Which, if any, other community groups do you plan to involve in your session? Please explain your plans for working cooperatively with the group(s), including your contacts, skill sets sought, etc.**

None

**Session Leaders/Facilitators and Panelists/Presenters**

Jonathan Zuck will moderate an open discussion

**Under which At-Large Priority Activities 2022 work track area does this topic fall?**
