Holistic Review Pilot ToR meeting

Revised ToR structure

26 May 2022

ToR structure review

- Improving the flow and distribution of information

- Enhancing clarity

- Removing text duplicates and avoiding "over-explaining"

- Keeping language simple and direct

- Consolidating the text based on the comments to date

ToR revised structure at a glance

Section	Content
1	• **Review Identification**
2	• **Mission** • **Objectives and Deliverables** • **Timeframes**
3	• **Approach to Work** • **Decision-making and Methodology** • **Roles and Responsibilities** • **Support from ICANN org** • **Outreach**
4	• **Definitions and Acronyms**
