Louise Marie Hurel: (16:14) try logging in again (maybe?)

Kathy (Kleiman): (16:14) But we (Noncommercial Users Constituency) were so annoying... and often so right... that ICANN often listed to us.

Kathy (Kleiman): (16:15) listed -> listened

Renata Aquino Ribeiro: (16:15) So cool the country round-up. I think we have all the continents here \o/

Tatiana Tropina: (16:33) yes we can hear you

Farzaneh Badii: (16:34) registrants are the ones who register domain names: registrant of www.example.com has to provide personal information before registering the domain name

Renata Aquino Ribeiro (Brazil): (16:35) Stephanie tells the fight like it is :) Courage and tears!

Farzaneh Badii: (16:37) what is privacy proxy services

Rachel Pollack: (16:37) thanks, renata. that glossary seems very helpful for understanding icann lingo as a whole, beyond WHOIS

Farzaneh Badii: (16:38) Gac is the Government advisory committee

Farzaneh Badii: (16:38) the Gov reps are there

Mahdi Taghizadeh (Iran): (16:38) @Farzi I guess she means the tools to protect privacy concerns. Like VPNs and so..

Kathy (Kleiman): (16:40) PDP -> Policy Development Proces - the way the Multistakeholder Model of ICANN develops policies for the Generic Top Level Domains

Collin Kurre: (16:40) Where is the best place to monitor the PDP? Through mailing lists, or is there a particular page on the ICANN site?

Bruna Santos (Brazil): (16:40) Hm, so, is there a difference between advice and recommendation?

Kathy (Kleiman): (16:40) @Bruna: yes, good question!

Mahdi Taghizadeh (Iran): (16:41) RDS stands for Registration Directory Service which is gonna replace the whois.

Ayden Férdeline 2: (16:41) the working groups have monthly updates prepared by staff. we try to forward this to the NCUC list so you can keep up with their developments at a high level

sogand: (16:41) Thank you Mahdi

Renata Aquino Ribeiro (Brazil): (16:41) If your sight is not good like mine (miopia) use the icon on the top right of the infographic

Mahdi Taghizadeh (Iran): (16:41) @Sogand :)

Collin Kurre: (16:42) Thanks Ayden!

Ayden Férdeline 2: (16:42) you're welcome

Bruna Santos (Brazil): (16:42) haha

Kathy (Kleiman): (16:42) A PDP Policy

Recommendation comes from a Generic Names Supporting Organization Working Group. It's been developed by a Multstakeholder Community for many months or even years. It comes through as the compromise and consensus of the Working Group. If approved by GNSO Council, this becomes "policy recommendations" that go to the ICANN Board for approval. If approved, these policies become part of the contracted of the registries and registrars -- but of the rules of the Domain Name System.

Farzaneh Badii: (16:43) advice comes from advisory committee

Collin Kurre: (16:43) Great overview, much appreciated

Lianna Galstyan: (16:43) yes

Bruna Santos (Brazil): (16:43) Nice, thank you @Kathy and @Farzaneh!

Maryam Bakoshi: (16:43) Yes

Farzaneh Badii: (16:43) yeah we are

Mahdi Taghizadeh (Iran): (16:43) Yes, we are
Daniel Macías: (16:43) yes
Ma. Julia Morales (Uruguay): (16:43) yes
Nadira ALARAJ: (16:43) yes
Olga Kyryliuk: (16:43) yes
sogand: (16:43) yes
JorgeGonzalez: (16:44) yes
Hamideh shahrabi farahani: (16:44) yes
Ayden Férdeline 2: (16:44) @adam msg received but
can't reply on here - however is acknowledged :)
GraceM: (16:44) Can hear you. Still trying to
understand the relationship between NCUC and NCSG
Farzaneh Badii: (16:44) just go ahead
Ayden Férdeline 2: (16:44) good question Grace.
Farzaneh Badii: (16:46) Grace, NCSG is the
overarching stakeholder groups. Policy usually is made
at NCSG level (not that NCUC cannot be a part of
policy making) but NCSG hierachical wise is overaching
stakeholder group for noncommercial constituents
Mahdi Taghizadeh (Iran): (16:46) Read my article
about Multistakeholderism if you
like. https://urldefense.proofpoint.com/v2/url?u=https-3A_medium.com_-40mahdi_multistakeholderism-2D7a673b6b2246-23.da75wa8ik&d=DwIFaQ&c=FmY1u3PJp6wrcrwl3mSVzgfkbPSS6sJms7xcl4I5cM&r=1A9IIOKJia11FXDmJ1R4Jn7wGT4ExHiVuBF89mvNt_Q&m=LbVv8nBwixqOHLrKmBnmTC1THAx8TXLRk5-1yb63qns&s=55yNoZ9qUVDiE6j1ePqFWJqW_qSv3nOkhBJYCQ8TkYc&e=
Aida Mahmutović (Bosnia and Herzegovina): (16:46)
@mahdi: great thank you!

Mahdi Taghizadeh (Iran): (16:47) @Aida :)

Arshad Mohammed: (16:47) How is NCUC different from NPOC?

Ayden Férdeline 3: (16:47) @Grace - the GNSO is divided into two houses for voting purposes (Contracted and Non-Contracted). We are a part of the Non-Contracted House. Inside the Non-Contracted House there are two stakeholder groups, Commercial and Non-Commercial. We are a part of the Non-Commercial, which has a chair (Tapani). Inside the Non-Commercial Stakeholder Group we have two constituencies, NCUC and NPOC.

Aida Mahmutović (Bosnia and Herzegovina): (16:48) Another more broad resource on

IG: https://urldefense.proofpoint.com/v2/url?u=https-3A_www.diplomacy.edu_resources_books_introduction-2Dinternet-2Dgovernance&d=DwIFaQ&c=FmY1u3PJp6wrcrwill3mSVzgfkbPSS6sJms7xcl4I5cM&r=1A9IIOkJia11FXDmJ1R4Jn7wGT4ExHiVuBF89mvNt_Q&m=LbVv8nBwixqOHLrKmBnmTC1THAx8TXLRk5-1yb63qns&s=wez4MC6r74PU_wFjWFj7jMGrQVNPIXIKwbV0Fj6CL8c&e=

Renata Aquino Ribeiro (Brazil): (16:48) Great reference Mahdi, thanks!

beatriz rodriguez: (16:48) Sorry, what is about whois replacement - will it happen when?

Ayden Férdeline 3: (16:48) Each constituency has different concerns, different leadership, different priorities. And we both elect our own representatives to the GNSO Council

Mahdi Taghizadeh (Iran): (16:48) @Renata My pleasure :)

Renata Aquino Ribeiro (Brazil): (16:49) @Aida very good

GraceM: (16:49) Thank you @Farzaneh and Ayden...it is making a bit more sense

Renata Aquino Ribeiro (Brazil): (16:49) Beatriz thanks, that's a great question for Stephanie and Ayden

Ayden Férdeline 3: (16:49) @Beatriz - at the moment we have a working group assessing this question. no decision has been made yet as to whether or not it will be replaced. we are exploring at the moment if there is a need to do so

Farzaneh Badii: (16:49) I will draw a governance graph Grace and get it desgined for us to understand better where NCUC is

Mahdi Taghizadeh (Iran): (16:50) @Farzi We count on your drawing skills ;-)

Szeming (Malaysia): (16:50) Thanks Ayden! and yes, Farzi, this would help alot! :)

GraceM: (16:50) Apart from hierachy, what else is different? I missed a bit of the beginnng when Kathy/Milton were explaining why NCUC was formed

Farzaneh Badii: (16:50) no my drawing skills is horrible. Art courses grades were lower than math for me

sogand: (16:50) @Farzaneh:that would be great!

Ayden Férdeline 3: (16:50) values and priorities are different, as is the membership and their concerns

Mahdi Taghizadeh (Iran): (16:50) @Farzi LOL!

Ayden Férdeline 3: (16:51) maybe it is not fair to say values are different, broadly we probably share the same values

Farzaneh Badii: (16:51) Grace , councilors at GNSO are also NCSG reps. They can be from either constitutencies

Ayden Férdeline 3: (16:52) NCUC and NPOC often work together to prepare comments and to participate in working groups that faithfully represent our joint concerns and recommendations

Collin Kurre: (16:52) Nice call to action Tatiana :)

Arshad Mohammed: (16:52) That clears up my question...Thanks Ayden

Mahdi Taghizadeh (Iran): (16:52) @Farzi How long this session would be?

Nadira (Palestine): (16:53) Thank you Tattiana

beatriz rodriguez: (16:53) Ok, thanks Ayden,for the response, and if need to replace what is the replacement

Tatiana Tropina: (16:53) Collin, thanks :-) - join guys, it's an incredibly interesting process and what is stunning you can see the results so quickly.

Olga Kyryliuk: (16:53) Great, would like to join

Ayden Férdeline 3: (16:53) @beatriz that is also what the working group is trying to decide... if there is a need, what would the alternative look like? how much would it cost? but we are getting a bit ahead of ourselves... we are approaching it step by step and haven't yet thought too much about the replacement

beatriz rodriguez: (16:54) thanks Ayden

Ayden Férdeline 3: (16:54) we work on policy and (please correct me if i am mistaken) i believe the IETF, a

separate organisation, would probably design the technical implementation of the replacement system

Tatiana Tropina: (16:54) More info on accountability here https://urldefense.proofpoint.com/v2/url?u=https-3A_community.icann.org_display_WEIA_WS2-2B-2D-2BEnhancing-2BICANN-2BAccountability-2BHome&d=DwIFaQ&c=FmY1u3PJp6wrcrwl3mSVzgfbkPSS6sJms7xcl4I5cM&r=1A9IIOkJia11FXDmJ1R4Jn7wGT4ExHiVuBF89mvNt_Q&m=LbVv8nBwixqOHLrKmBnmTC1THAx8TXLRk5-1yb63qns&s=LhTq7loPj7J0sg5JYuwYGQWBhzvQaByTa4r7NQK-tqk&e=

Szeming (Malaysia): (16:54) Raise hand to join for CCWG human rights and transparency issues.

Olga Kyryliuk: (16:55) Thanks Tatiana

Farzaneh Badii: (16:55) Great Ming. Send me an email I tell you how

Anna Loup:

Szeming (Malaysia): (16:55) Great! Thanks Farzi :)

Tatiana Tropina: (16:56) here is all the info on how to join any of the accountability subgroups. <https://urldefense.proofpoint.com/v2/url?u=ht>

[tps-3A_community.icann.org_pages_viewpage.action-3FpageId-3D59640780&d=DwIFaQ&c=FmY1u3PJp6wrcrwl13mSVzgfkbPSS6sJms7xcl4I5cM&r=1A9IIOkJia11FXDmJ1R4Jn7wGT4ExHiVuBF89mvNt_Q&m=LbVv8nBwixqOHLrKmBnmTC1THAx8TXLRk5-1yb63qns&s=6OSqBdygcc9ELPGhjOvHn1Qh2cLDeH-Xjd05v-UIBFY&e=](https://community.icann.org/pages/viewpage.action?productId=3D59640780&d=DwIFaQ&c=FmY1u3PJp6wrcrwl13mSVzgfkbPSS6sJms7xcl4I5cM&r=1A9IIOkJia11FXDmJ1R4Jn7wGT4ExHiVuBF89mvNt_Q&m=LbVv8nBwixqOHLrKmBnmTC1THAx8TXLRk5-1yb63qns&s=6OSqBdygcc9ELPGhjOvHn1Qh2cLDeH-Xjd05v-UIBFY&e=)

Tatiana Tropina: (16:56) basically, one need to write a note to ICANN staff, indicating the subgroup and whether you want to join as a member or observer

Nadira (Palestine): (16:56) @Anna, thank you, please can you add the URL for each working google doc to the main document. with thanks.

Anna Loup: (16:57) will do!

Nadira (Palestine): (16:57) +1 thanks

Ayden Férdeline 3: (16:58) just before every ICANN meeting there is a policy update webinar. there is one scheduled for next week. i find these to be really useful to get a quick, high-level overview of all the policy work that the community has worked on over the past 3-4 months.

Tatiana Tropina: (16:58) My call for action - please join us for great discussions and drink at the outreach in Copenhagen on 11th!

Tatiana Tropina: (16:59) we have NCUC, EURALO members to discuss many issues interactively, and some exciting invited guests. And the outreach will be followed by reception to network over a drink or two :)

Collin Kurre: (16:59) Will be there in spirit, but not in person. Maybe next time!

Nadira (Palestine): (16:59) active EC keep the good work

Rachel Pollack: (16:59) sounds great, tatiana. count me in!
