A good start is this course

The image displays two promotional banners for ICANN courses. The left banner has a dark purple background and features the text "ICANN At-Large: Welcome to Our World" in white. Below the text is an illustration of seven stylized human figures in various colors (green, orange, yellow, orange, orange, orange, green) standing under a purple globe. The right banner also has a dark purple background and features the text "ICANN Policy Development: A Guide for At-Large Participants" in white. Below the text is an illustration of a purple folder labeled "POLICY" with a document icon, and a purple trash bin containing a red square with a white plus sign and a green square with a white checkmark. A yellow bar at the bottom of the image contains the text "New courses about the At-Large community now available" in black, followed by a black right-pointing triangle.

New courses about the At-Large community now available

NARALO Monthly calls

Every second Monday of the month we hold a membership meeting which is conducted over ZOOM and open to anyone

Recordings are available if you can't attend the meetings

The meeting format varies on the format decided upon by the chair and it normally includes updates, upcoming events and special invited guests. Relevant and current policy issues are showcased at these meetings

Working Group Calls

You are invited to the Atlarge Working group calls which includes

- Outreach and Engagement/Social Media Working Group
- **Consolidated Policy Working Group (CPWG)**
- ALAC Meetings <https://community.icann.org/display/atlarge/Meetings>
- **At-Large Operations, Finance and Budget Working Group (OFBWG)**
- ICANN Planning meetings
- And more

Mentoring

The ATLARGE community has a wealth of seasoned members who are willing and able to work with your level of expertise and encourage your active participation.

ICANN meetings

ICANN meetings are open as hybrid meetings. You can attend them and we will see ICANN 77 in Washington, 12-15 June 2023 and ICANN 79 San Juan, PR in 2-7 March 2024

If you can't attend the meetings in person you can join remotely via ZOOM

ICANN is organized in Pre-ICANN and normal ICANN meetings, if the meeting is in the North American region you can hold a onsite NARALO session
