Agenda item 3a: planning for ICANN76 – Themed ccTLD News Session

- **Theme/Title:** The digital divide and the impact on ccTLDs
- **What:** At ICANN76, the ccNSO Meetings Programme Committee (MPC) and ccNSO Internet Governance Liaison Committee (IGLC) will jointly organise a ccTLD News Session on the digital divide and its impact on ccTLDs.
- **Scope:** The purpose of the session is to raise awareness regarding the developments in terms of the digital divide across the regions - if any -, and the impact on individual ccTLDs or Regions.
- **Approach:** Address the theme from a global perspective, with contributions from all 5 ICANN regions. Presentations include potentially a general introduction to the topic, followed by 1 ccTLD per region. 1 session chair/moderator.
- **Timeline:** See below
