Objectives

The overriding objective/fundamental purpose of the Liberia Chapter of the Internet Society is to give expression to the needs and wishes of individuals, groups, or organizations that have a common interest in the viability of the Internet in Liberia, so that all Liberian users of the Internet may continue to benefit from, and contribute to, its applications, technologies, and to make the access able to everyone.

What ICANN-related issues currently are of interest to your Organization's constituents/membership?

1. The most ICANN-related issues currently of interest to my Organization are as follow:
2. The growth and evolution of the Internet;
3. Education, training and research relating to the Internet and networking;
4. Harmonization of actions and activities at national level to facilitate the development and availability of the Internet to both "the have and "the have not";
5. Being supportive of the original vision of ICANN as an independent, private sector led organization.
6. I am supportive and most interested in ICANN advancing discussions about the future of ICANN that there needs to be a greater awareness that ICANN's management of the DNS is as a steward over a shared global resource of its multiple constituencies;

I believe it is more critical than ever that we watch for and create opportunities to raise and promote this perspective throughout all processes.
