

Brief Report on the major outcomes from the APRALO Monthly meeting held 25th November, 2008 at 0500 UTC for 85 mins.

An extensive APRALO involvement in the upcoming IGF Meeting see [IGF update](#) was discussed including the requirements / options for remote participation from the A-P Region and globally.

Discussion was held on the APRALO ALS involvement in the At-Large Summit and the regional GA was discussed with an outcome that a regional WG has been formed to work on these issues and be involved with the Summit WG activities...

Outreach activities and new ALS development plans was discussed and the WG will meet again in the near future...

The Meeting discussed and supported the concept of the two ALAC representatives into the Geographic Regions Review WG being the ALQAC Chair (who will also represent APRALO and the volunteer from LACRALO Carlton Samuels as he would have in our pinion knowledge and sympathies / experience that would also serve the views of the least developed countries and island states in our region.

The meeting endorsed the proposal for the formalization of the Executive Committee of the ALAC and that such a ExCom be Regionally balanced. i.e. 5 members (one from each region under the current design)
