

# Independent Review of the Root Server System Advisory Committee

---

Cairo, November 2008

Colin Jackson and Andy Linton  
[rssacreview@westlakenz.com](mailto:rssacreview@westlakenz.com)

# Aims of the Review

- To determine:
  1. *Whether the committee has a continuing purpose in the ICANN structure; and*
  2. *If so, whether any change in structure or operations is desirable to improve its effectiveness.*
- ... And about 10 subsidiary questions.

# Who we are?

**Colin Jackson**
