

ALS name

ALS Description:

Please describe your organization briefly. Who are the members and what sectors do they represent? What is the decision-taking process? What are your areas of interest?

Mission Statement:

Please add a statement of the purpose of your organization. The mission statement should provide the context within which the strategies of your organization are formulated. It should provide a sense of direction and guide decision-making within the organization.

Objectives:

Please shortly describe the objectives and goals your organization is pursuing both in the short term and in the long run.

Main ALS contact:

ALS Contact Email, Website

Current and past activities

Please list current activities and past projects of your ALS in some detail and provide background information, which will help the reader to familiarize himself with your organization.
