SECTION C. Internet Involvement and Interest in ICANN

Poll Heading: 1. Describe how you meet the criteria for the At-Large selected ICANN Board Director position

As a developer and technology specialist in the web industry and Enterprise Development industry, moreover I have done some work as a Business Analyst, which is also related to my position as the Editor of The Next Web Middle East channel. I would love to passionately pursue enhancing the status of the web industry on a global scale to encompass the largest possible offline population improving their quality of life, affecting them positively in every possible way, and increasing their knowledge of current sciences and any sciences that have yet to be discovered. This can be done in part with full dedication to create a medium which knows no one specific language, yet has the ability to work around the existence of a dominating culture to localize and globalize according to need and situation.

Poll Heading: 2. Describe current and past involvement in, contributions to, and leadership roles in activities and organizations involved in the development and operation of the Internet, its naming and addressing infrastructure and/or its security and stability

Empty submission

Poll Heading: 3. Provide a statement about what you would contribute in the At-Large selected ICANN Board Director position to ICANN and its mission

Empty submission

Poll Heading: 4. Provide a statement about what you would contribute in the At-Large selected ICANN Board Director position to the At-Large Community

Empty submission

Poll Heading: 5. Please describe specifically how and why you will be able to advance, at the ICANN Board, the interests of the At-Large Community and the broader global community of Internet end-users

Empty submission

Poll Heading: 6. Is there any additional information you would like to submit that would be helpful to the BCEC in making its decision? If so, please summarize it here

Empty submission
