SECTION C. Internet Involvement and Interest in ICANN

Poll Heading: 1. Describe how you meet the criteria for the At-Large selected ICANN Board Director position

I have an international perspective in relation to Internet users and I am committed to the goals and aspirations of ICANN. My position as local ICT advisory forum represents civil society and as such I respect the goals of group decision making and the responsibility which goes with that. I am also desirous to learn more about how ICANN manages its commitments to the internet community. I have a broad interest in policy development and the way in which that process affects individual academic and non commercial users of the Internet. I also believe that I have a broad cultural diversity to bring to the board. My participation at ARIN in polict development and LACNIC in Internet Governance affords me the opportunity to become familiar with ip addressing and other technical parameters of Internet architect.

Poll Heading: 2. Describe current and past involvement in, contributions to, and leadership roles in activities and organizations involved in the development and operation of the Internet, its naming and addressing infrastructure and/or its security and stability

I am currently a back-up crypto officer and I contribute to ARIN. I attend ICANN meetings when I am able to and contribute when I can in the area of IPv6 and v4 runout policy at ARIN. I have an interest in security and stability which needs to be developed further.

Poll Heading: 3. Provide a statement about what you would contribute in the At-Large selected ICANN Board Director position to ICANN and its mission

I have a balanced view of developed and developing nations and the way in which they may perceive quite differently the notion of collaboration and participation within the context of Internet development. I would like to see a deeper participation at all levels of the at large community especially from developing countries.

Poll Heading: 4. Provide a statement about what you would contribute in the At-Large selected ICANN Board Director position to the At-Large Community

I would be contributing the views of Internet users and the at large community and within the context of living in an ARIN region (en. Caribbean) whilst the other Caribbean Countries are in LACNIC, affords me a unique cross border view of small and medium sized countries at widely different states of Internet development. I have also developed a good cross cultural approach to listening to the aspirations and needs of a wide variety of Internet user.

Poll Heading: 5. Please describe specifically how and why you will be able to advance, at the ICANN Board, the interests of the At-Large Community and the broader global community of Internet end-users

The at large community is an important and necessary group and ICANN, I am confident that I can represent the diverse interests of the multi cultural at-large structures to the board of ICANN. It is also advantageous that the at-large structures are able to effectively collaborate in both directions with the ICANN board. In so doing we are able to drive win-win scenarios within the policy development process.

Poll Heading: 6. Is there any additional information you would like to submit that would be helpful to the BCEC in making its decision? If so, please summarize it here
