New Zealand

SECTION B. Professional and Educational Background

Poll Heading: 1. Provide details of your current job, role, title, employer and affiliations

Currently investigating apartment governance issues in New Zealand and also standing as a candidate for the city council in my area.

Currently a member of the Internet Society of New Zealand and stood for that council in a recent election as a rank outsider and that position (being a rank outsider) was confirmed. I.e. was not appointed.

Poll Heading: 2. Describe your educational and professional history. Provide all information that you believe may be relevant to being an effective member of the ICANN Board

Full term of schooling in New Zealand and some university papers gained while studying law, politics and sociology. Have a diploma in business management from lower level studies (Polytechnic in New Zealand).

Have spent considerable time investigating local and central government and have provided numerous submissions on various matters around apartment legislation, communications within parliament, and various small but significant ideas and input.

Poll Heading: 3. Describe any current and past volunteer community positions, roles and accomplishments. We are particularly interested in similar Board directorship and committee experience

Have run the 'Body Corporate' that operates the apartment building I live in. Ran a Red Cross fundraising collection with 300 collectors, was the Communications Chair for a national political party and also provided communications over-sight to the national convention for the same Party.

Poll Heading: 4. List any relevant personal or professional web pages

ThomasMorganToday on 'Face Book' which is being used for the current local election.

SECTION C. Internet Involvement and Interest in ICANN

Poll Heading: 1. Describe how you meet the criteria for the At-Large selected ICANN Board Director position

My interest is in assessing Internet based society and how that is applied to actual society or how to apply it where such application seems useful.

Poll Heading: 2. Describe current and past involvement in, contributions to, and leadership roles in activities and organizations involved in the development and operation of the Internet, its naming and addressing infrastructure and/or its security and stability

None.

Poll Heading: 3. Provide a statement about what you would contribute in the At-Large selected ICANN Board Director position to ICANN and its mission

My interest is non-technical but governmental is assessing matters from a real-world perspective as to what actual and real issues might arise from implementations and decisions ICANN might make.

Poll Heading: 4. Provide a statement about what you would contribute in the At-Large selected ICANN Board Director position to the At-Large Community

I would apply my 25+ years of societal observation to considering matters of action by ICANN and consider what risks, opportunities and threats might result in society from those actions. I would be particularly interested in policing and governance issues and how to apply current society-based approaches of policing and governance to the Internet. This might cover all

aspects of this that occur in the real world from crimes against the person, property and the State.

Poll Heading: 5. Please describe specifically how and why you will be able to advance, at the ICANN Board, the interests of the At-Large Community and the broader global community of Internet end-users

For those that might share similar interests I would be willing to establish and develop discussion and discovery of useful policies of interest and formulate these into action points for implementation within the Internet.

My abilities to communicate with people at all levels of society is very high and this allows for a very broad view of a matter from the core issue to developing corrective policy.

Poll Heading: 6. Is there any additional information you would like to submit that would be helpful to the BCEC in making its decision? If so, please summarize it here

I am from New Zealand. We are famous for getting stuck in and sorting out complicated issues even it means having to win various sporting awards with a population the size of Sydney, Australia.

More seriously I am happy to supply my C.V. if an appropriate e-mail address can be provided.
