

Thanks for recording my acceptance to the nomination for the NomCom position.

My SOI is up to date.

Please find below a brief statement why I consider myself as a good candidate for the position.

I am thanking Fanyou, Bakary and others who have nominated me for the positions of Nomcom.

As an a Member to the Nomcom, I will bring my experience and qualifications as I have served, in the past, the Nomcom for two consecutive terms between 2016 and 2017. I have also held senior management positions within multinational corporations where I have been actively involved in the recruitment and selection process. I have experience in the recruitment and selection of ordinary employees to board members candidates.

I come with a rich experience in the noncommercial field, having been the President of the Save the Children Mauritius as early as in 1995.

I have been one of the nominees for the Most Outstanding Young Person (AOYP) for the Republic of Mauritius for the years 1996 and 2003.

I have been selected by the Board of Directors of the World Summit Award as the National Expert from Mauritius in the framework of the World Summit on the Information Society.

I have been a Member of the ALAC for many years and currently hold this position.

I have also been a member of the Non-Commercial Users Constituency of ICANN in the past.

I have been a former Member of the Public Interest Registry .ORG Advisory Council, a member of the African Stakeholders Network (ASN) of the United Nations Information and Communication Technologies Task, a member of the UNESCO's Information for All Programme (IFAP) National Committee of Mauritius.

I have also been the founder and President of the Internet Society of Mauritius and current President of the Internet Governance Forum of Mauritius.

I have been the ISOC Ambassador to the WSIS and have been actively participating in Tunis and Geneva in 2003 and 2005.

I have always been interested and working on Internet Policy, multistakeholder model of internet governance, DNS abuse mitigation and have been the voice of the internet end users.

I hold a Post Graduate Diploma in Business Management from the University of Surrey UK, a Masters in Business Administration from the University of Technology Mauritius, Certificate in electronics from the University of Mauritius and a Certificate in Telecommunications and Electronics from the City and Guilds of London Institute. I am currently employed as Business Development Manager (Cybersecurity) and the Mauritius Office Team Manager for the International Distributor Offshore SAL (Interdist alliances) and Hiperdist UK Ltd. I have corporate board membership experience and as a member of the NomCom, experience selecting board members. I speak English, French, Hindi, Creole and Bhojpuri

I have a publicly available SOI on the ICANN website
