RALO : EURALO
RALO Membership : ALS LE BIK'LAB

Thanks for recording my acceptance to the nomination for the 2024 NomCom position. My SOI is update on the link shared with me. An here the present letter to motive why i could be a good candidate for our international organization ICANN.

Firstly, i appreciate the supporting words of Natalia Filina as current secretary and Sebastien Bachollet, as current chair, and will be glad to be an supportive EURALO candidate for ALAC delegated to the 2024 NomCom for the available leadership position.

Secondly, as a candidate of NomCom, i accept to serve for 2 years and bring my experience since my fellow position in 2018 to some comitments in ICANN and specialy At-large structure and GNSO. I met many of ours ICANN leaders inspire myself as a credible candidate. I act with respect and indeptendy with respect of bylaws.

My short BIO

I'm an IT entrepreneur and also and IT University professor (part-time) working in software industry in a local community of French Caribbean. I was by the past during 5 years the president of GuadeloupeTech, an startup and tech ecosystem of Guadeloupe, lead an IT think tank, serve as JCI (Junior Chamber International) NGO since twelve years as member, president, international trainers and was nominee as a TOYP national Ten Outstanding Persons, serving local community to help women entrepreneur and women in tech ; I help minority in tech with Blacksintech foundation and G100.

In ICANN i was a dedicated fellow for ICANN 61& 65 and since i was introduce in this organization by Albert Daniels dedicated to caribbean, i was involve and contribute to :

- EURALO ALS Engagement Working Group
- EURALO Calls
- also LACRALO WG (with a special agreement of EURALO/LACRALO)
- At-Large Capacity Building Working Group (Member since 2020)
- At-Large Social Media Working Group (Member since 2022)
- GNSO ePDP1 IRT Team
- ISOC Caribbean, ISOC SIG, ISOC Benin
- Was a VSIG Speaker/trainer in 2022 edition
- UA's day
- Internet training and conference

I will do the best work in good mindset with the NomCom and with the support of EURALO leaders and members, i can learn fast and become a better member to serve ICANN large community.

Regards,
Betty FAUSTA
