 - Dear Sebastien, dear Euralo Team,
 - This is to inform you that the members of dotHIV voted for ending our involvement in Euralo during the past members meeting.
 - Our work focusses on HIV awareness nowadays, and we haven't anything to contribute to the work of Euralo anymore.
 - Could you please take all members of dotHIV of the mailing list and confirm the termination of our membership?
 - Many thanks and all the best for your work
 - Carolim

- **Exchange on LinkedIn April 2023**

 - Hello Carolin, As EURALO Chair I am contacting you as we didn't get any news from your ALS since almost 2 years. Are you still willing to beEURALO Member? If you have any question. Thanks All the Best SeB
- Carolin Silbernagl (She/Her) 18:46
 - Dear Sebastien, thanks for reaching out. Indeed, we discussed our involvement in Euralo just some weeks ago on our yearly members meeting, and decided that there is little that we have to contribute anymore. The focus of remaining work is on HIV/AIDS awareness. What would be the process to terminate membership in EURALO? Thanks, Carolin
- Sébastien Bachollet 23:54
 - Dear Carolin, thanks for your quick answer. I understand your focus. The easier way could be for you to send to <sebicann@bachollet.fr> and to <staff@atlarge.icann.org> a mail asking for the termination of your membership. All the best SeB

All RALOs Issues for 1:1 CEO

- **AFRALO**

- What is ICANN org's plan to ensure rotation of ICANN meetings across the regions and when exactly will ICANN meeting be held in the Africa region?

- **APRALO**

- RALOs play a significant role in outreach initiatives of ICANN acting as ambassadors of ICANN and the recent UA day is testimony to it. Since the planning for the next round of gTLD auction is starting, what is the role you envisage the RALO's playing?

- **EURALO**

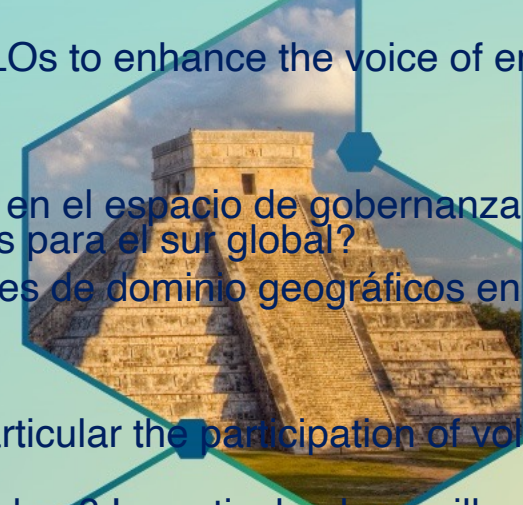

- How can At-Large (specifically the Regional At-Large Organisations) can help you in your CEO and President role?
- In addition of what you have done as SVP GSE how can you help the RALOs to enhance the voice of end-users in the ICANN multistakeholder organization?

- **LACRALO**

- ¿Cuál es la posición de la ICANN con respecto a una mayor participación en el espacio de gobernanza de Internet, especialmente con respecto al abuso del DNS y las implicaciones para el sur global?
- ¿Cuál es la posición que va a sostener el board con respecto a los nombres de dominio geográficos en torno al llamado de los nuevos gTLD?

- **NARALO**

- As CEO, how will you help support the multistakeholder process and in particular the participation of volunteers in that process?
- As CEO, how will you guide ICANN to balance the interests of all stakeholders? In particular, how will you keep ICANN apart from the Domain Name industry and avoid acting like a trade association?
- How will you approach (and balance) the internal/operational role, the strategic role and the external/diplomatic role of CEO?
- What would you change about ICANN?
- What are the biggest challenges facing ICANN today?
