General Assembly 2023 - Accra

24th July 2023   Session 1   location: Accra/Remote

Introduction and setting GA Ground-rules, Aims, Objectives and Expectations

Seun Ojedeji - Chair AFRALO

General Assembly 2023 - Accra

24th July 2023   Session 1   location: Accra/Remote

Theme:
"Generating a strong and sustained AFRALO voice within ICANN"

General Assembly 2023 - Accra

24th July 2023   Session 1   location: Accra/Remote

Aims and Objectives:

- Bring together AFRALO members to discuss how to engage better.
- To review and approve the AFRALO Members performance metrics towards an improved AFRALO voice within ICANN
- To Re-establish strong connection between RALO members towards informal member/mentee relationships
- To establish better understanding of the AFRALO rules of procedure for ALS and individual members   and suggest any revisions where possible.
- To build capacity of our members on topic of interest within the RALO
- To Recognise and/or reward some members of our RALO

General Assembly 2023 - Accra

24th July 2023   Session 1   location: Accra/Remote

Ground Rules and Expectations from members:

- Participants who are attending physically should participate at the event - Attendance shall be taken
- Members interventions are brief and straight to the point - If you had the floor kindly yield to members who haven't
- The queue on zoom shall be prioritise so in-room participants are encouraged to sign in to zoom as well.
- Members should abide by the ICANN's expected standard of behaviour
- Are there any others?
